Tierstämme 3

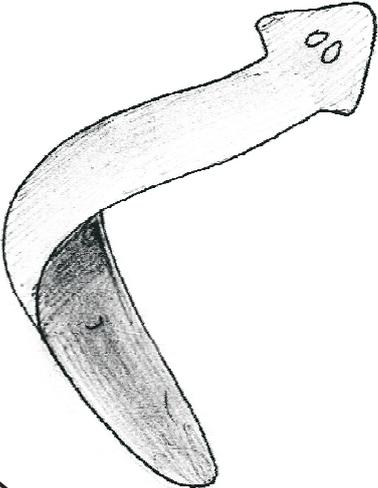

Ringelwürmer

18000 Arten

A circular graphic with a grey border. The text "Ringelwürmer" is written in a black, sans-serif font along the top inner edge. In the center is a detailed black and white illustration of an earthworm, showing its segmented body and a distinct head region. At the bottom, the text "18000 Arten" is written in a smaller black font.

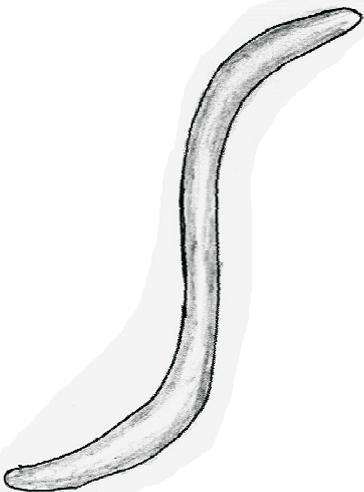

Plattwürmer

20000 Arten

A circular graphic with a grey border. The text "Plattwürmer" is written in a black, sans-serif font along the top inner edge. In the center is a black and white illustration of a flatworm, showing its flattened, leaf-like body and a head region with two small eyes. At the bottom, the text "20000 Arten" is written in a smaller black font.

Fadenwürmer

20000 Arten

A circular graphic with a grey border. The text "Fadenwürmer" is written in a black, sans-serif font along the top inner edge. In the center is a black and white illustration of a threadworm, showing its long, thin, and slightly curved body. At the bottom, the text "20000 Arten" is written in a smaller black font.
